Restaurant Canada Show 2022 is Canada’s largest hospitality and food service show featuring a dynamic in-person trade show, top-quality seminars, workshops, competitions, and events. The show hosts the latest innovative products and services across all hospitality categories including tastings and chef-inspired cuisine on the show floor, stages, and events. Wamame will be exhibiting its premium Waygu™ plant-based alternative meat products to top chefs, distributors, and major buyers throughout the show.

“We are excited to be launching our Waygu™ products at Canada’s largest and most well-known food service show,” commented Mr. Jarrett Malnarich, CEO of Wamame Foods Inc. “We have been working hard to be ready for commercial launch and with that achieved, the Restaurant Canada show is the very best venue to showcase our premium Waygu™ line up directly to our target audience. Everyone who samples our Waygu™ products quickly agrees it is one of the best plant-based meat alternatives available in the market, and this is our opportunity to introduce Waygu™ to a wide and engaged audience looking for innovative food products.”

### **About Wamame Foods Inc.**

Wamame Foods Inc. based in Vancouver BC, is focused on the development and distribution of innovative, premium plant-based Japanese-Asian meat alternatives. To date, the Company has created and launched Waygu™, a brand representing the highest quality of plant-based meat alternative products. Wamame’s products are targeted at a growing common core consumer group referred to as “flexitarians” in the industry, that is an individual looking to substitute animal proteins in their diet with plant proteins. The Company tests and validates its products in high-end, top-rated restaurants around the world and brings them to market through diversified distribution networks that include “food service” and “direct to consumer” channels.
