

Wamame Foods to Exhibit at the “National Restaurants Association” Show

Company to Showcase its Premium Waygu™ products at CoLaboratory Chicago, hosting an Exclusive NRA Party May 22, 2022.

VANCOUVER BC, May 10, 2022, Wamame Foods Inc. (the "Company" or "Wamame") is pleased to announce that it will be exhibiting and presenting its premium Waygu™ branded plant-based product line-up at the [National Restaurants Association Show](#) (“The Show”), taking place at McCormick Place, Chicago IL . May 21 – 24, 2022.

The National Restaurants Association Show is the largest annual gathering of food service professionals in the Western Hemisphere. The Show brings together top chefs, major buyers and distributors from across the entire domestic and international industry spectrum. The Show is host to the latest innovative products and services from all hospitality categories including tastings and chef-inspired cuisine on the show floor, stages, and events. The Wamame team will be presenting its Waygu™ branded products at booth #690 and in conjunction with The Show, has partnered with [CoLaboratory Chicago](#) to showcase its products at an exclusive launch party Sunday, May 22, 2022.

“We are excited to be introducing our Waygu™ branded products to the US market at the largest foodservice show in North America,” commented Mr. Jarrett Malnarich, CEO of Wamame Foods Inc. “Building key production, distribution and sales relationships has been our focus over the last several months as we prepare to launch Waygu™ across North America. The National Restaurants Association Show is a major opportunity for us to expand our audience, define additional opportunities and to solidify several important partnerships. We are continually encouraged regarding our future prospects as everyone who samples our Waygu™ products quickly agree it is one of the best plant-based meat alternatives available in the market.”

About Wamame Foods Inc.

Wamame Foods Inc. based in Vancouver BC, is focused on the development and distribution of innovative, premium plant-based Japanese-Asian meat alternatives. To date, the Company has created and launched Waygu™, a brand representing the highest quality of plant-based meat alternative products. Wamame’s products are targeted at a growing common core consumer group referred to as “flexitarians” in the industry, that is an individual looking to substitute animal proteins in their diet with plant proteins. The Company tests and validates its products in high-end, top-rated restaurants around the world and brings them to market through diversified distribution networks that include “food service” and “direct to consumer” channels.
